

Obligations and provisions pursuant to legislative decree 116/2020 concerning the environmental labelling of packaging for Auserpolimeri products

Article 219 of the Italian Legislative Decree No. 116 of September 3rd, 2020 sets forth criteria for the management of packaging waste and provides that for the purposes of packaging identification and classification producers shall indicate the nature of the packaging materials used, based on Commission Decision 97/129/EC.

In this respect, Auserpolimeri is herewith providing information on the appropriate Recycling Collection Stream (alphanumeric code) for packaging waste:

STRETCH HOOD / STRETCH FILM / 25 KG BAG / OCTABIN'S INTERNAL BAG

BIG BAG

WOODEN PALLET

OCTABIN (STRUCTURE, BASE AND COVER)
